Highlights

Soft spout with no-spill valve

The patented valve of the Philips AVENT spout cup controls flow and ensures no spillage, even if held upside down or if left on its side

Soft spout for 6m+

The soft, flexible spout is ideal for the transition from breast or bottle to a cup

Completely interchangeable

Cups, spouts and handles can be used with the entire Philips AVENT range, attach directly to breast pumps or use a nipple instead of the spout when feeding. The soft spout and handles can also be put on the feeding bottle for an easy transition from bottle to cup
